

GREAT SILK ROAD NETWORK

WHO WE ARE

THE GREAT SILK ROAD NETWORK STANDS FOR LOGISTICS SERVICES WITH A WIDE RANGE AROUND THE GLOBE

Our Network comprises more than 200 employees. We provide to the customers most reliable and "cost wise" logistics.

Based on using an innovative approach for data processing, considering the types of strategic opportunities of the company as well as the comprehensive strategy, our experts provide services to clients on "no questions" basis.

HERE AND NOW

Great Silk Road Network was established by Turkmen Logistics companies: Beyik Yupek Yoly & Payhas Merkezi in 2010. In 2021 the company implemented a strategy for regional diversification. Network of regional branches brought logistics possibility to its new heights and opened a way to "Turnkey Logistics" services.

KEY CUSTOMERS

OUR SERVICES

"Give me a foothold, and I will move the earth"
Archimede.

GROUND TRANSPORTATION (RAILWAY)

Freight Forwarding by Rail

Railway is a one of our main types of logistic services. The distinctive feature of the company is an ownership of open top wagons with the rights to run in CIS and Baltic Countries.

Our primary target is to organize cargo transportation with minimum expenses and within the shortest period.

GROUND TRANSPORTATION (AUTO)

Freight Forwarding by Auto

- Own vehicles fleet;
- Civil engineering and structural engineering;
- Design and fabrication of special structure;
- Cargo handling operations;
- Placement of foundation / erection of HWC & ODC;
- Storage & security;
- Organization of surveyor's inspections;
- Logistic consulting;
- Transportation drawings creation;
- Transport maneuvering simulation;
- Escort;
- Cargo offloading operations including installation on foundation;
- Transportation of Out-of-Gauge and Heavy cargoes;
- Truck freight from port using conventional, special lowbed and hydraulic modular axle trailers;
- Shipping documents preparations and arrangements;
- Cargo tracking.

PERISHABLE & DANGER GOODS

Great Silk Road Network has a great experience for handling DG & perishable cargoes like sulphur, chemicals, cotton products, meat & foodstuff products.

Turkmenistan importing around 14,000 tons of buffalo frozen meat from India each year, since 2011 until now, we've been awarded with the government contract, as the best bidder in freight forwarding, for rendering logistic services.

Cotton - one of the strategic segments of Turkmenistan economy. Turkmenistan is among the top ten producers of cotton in the world, approximately each year Turkmenistan producers about 1.1 million tons of cotton.

SEA TRANSPORTATION

Sailing with foresight

- Shipping and forwarding services related to ocean/sea/river freight in seaports of Turkmenistan (Turkmenbashi, Bekdash, Akarem, Hasar) as well as world ports of Middle East, Europe, Asia;
- Vessel chartering;
- Ship Agency service;
- Preparation of shipping documents;
- Storage and security in ports;
- Container shipment;
- Organization of surveyor's inspections;
- Cargo handling operations.

AIR TRANSPORTATION

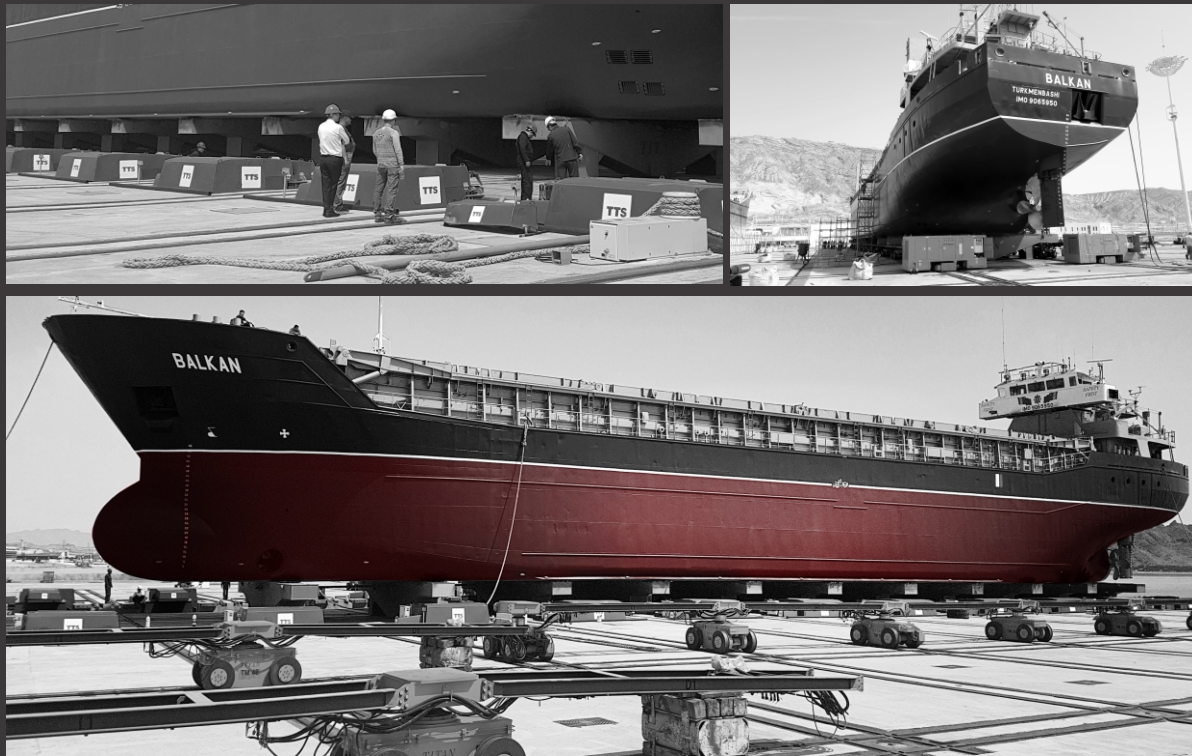

Flying in the right direction

Highly skilled employees, 13 years of experience and extensive expertise ensures high-quality cargo delivery according to the international level standards.

- Worldwide Export-Import;
- Track and Trace system;
- Safe handling of general/dangerous/perishable cargoes;
- Door to Door service;
- Direct contracts with airlines offering competitive prices.

SHIP REPAIR AND MODERNIZATION

Provision of services for overhaul and current sea vessels repair based on Shipbuilding and Repairing Yard "Balkan" is one of our dynamically developing area.

Interaction with leading foreign partners, availability of qualified specialists, including foreign ship repair specialists, the use of modern equipment and technologies, allow us to offer high-quality services on the most favorable terms:

- Hull Works
- Dock Repair
- Engine Repair
- All type of Coating Works
- Pipe Works
- Electrical and Mechanical Works

INTERNATIONAL PARCEL SERVICE

Logistics services:

- Industrial projects
- Heavy cargo
- Engineering solutions
- Customs clearance
- Packaging
- OOG cargo
